WE ARE SO MUCH MORE

Let us explain.

Forget mentorship programs you may have experienced or heard about in the past. We won't match you with someone simply because you have the same profession - because life is about so much more than a career! You deserve a mentor who cares about your life.

What you get, at a glance!

**WE ARE
WHO
YOU'RE
LOOKING
FOR.**

OLAMI

The quality of your relationships determine the quality of your life.

We take mentor matching seriously, and we focus on matching people who have common interests, similar careers and live locally. Our goal is to help you connect with outstanding people that will help you get more out of life.

**WE ARE
NOT
LOCAL
TO YOU.**

**WE ARE
LOCAL
TO
EVERYONE.**

We focus on finding local mentors for each and every mentee, wherever you are. Because while zoom is good, being able to meet in person takes your relationship to another level. As well as your one-on-one sessions, you will get exclusive access to local meet-ups with your chapter so that you can discover the power of your local community.

**WE DON'T GO
EVERYWHERE.**

**WE GROW
WHEREVER
WE GO.**

Spain. New York. Jerusalem.
Sao Paulo. Poland.

Why go through life, when you
can grow through life? What's
better than to get away for
a while, as a community, to
focus on our growth
in a distant land?

This season, your mentorship
chapter is heading to
New York together!

**WE ARE
NOT YOUR
KIND.**

**WE ARE
ONE OF
A KIND.**

We're the kind
of people who want
our careers to
reflect our values.
Who use Jewish wisdom

Who want to grow the good
in ourselves to ultimately
grow the good in the world.

We aim high. Dream big.
Want more. We choose
to choose. Every day.
